---

CONTENTS (Add model and serial numbers of all items in box here.)

---

**Please Note:** This is NOT a pre-paid shipping label.

**This page has been provided as a quick shipping aid  
for shipping to Power Electronics.**

**FOLD THE PAGE SO THAT THE ADDRESS  
FACES UP.**

---

Please fill out the above sections and attach to your shipping container. DO NOT use the same container that the product was originally delivered in. This will reduce the chance of shipping damage. Do not place the products directly into packing peanuts, this can cause static charges which may damage internal components. Please note, PE policy and procedure overrides all contracts or agreements.
